

Clear Prospect Privacy Policy

Clear Prospect understands the importance of maintaining the confidentiality of your personal information and is committed to safeguarding the privacy of the users (including individuals and organizations) of our Clear Prospect Web site. Please read the following information which outlines our commitment to privacy and how Clear Prospect will treat your personal information as you use this application.

Collection and Use of Information

Personal Information

When you use or register with this site, Clear Prospect may collect personal information from you including profile information (name, e-mail address, address, zip code, telephone number) and, if applicable, employment information (desired specialty, title, geographic location, compensation). The profile information may be stored indefinitely to the extent permitted by law and may be collected and processed in one or more databases maintained directly or indirectly by Clear Prospect. From time to time, Clear Prospect may also ask you for other information via surveys, such as information regarding your areas of interest, your likes and dislikes regarding the site, your career goals, services that you would like offered on this site, and other such information that will help us improve the service and features made available to you on this site.

Resumes

As a user of this site, you have the option of submitting or posting your resume to the site in order to apply for an employment opportunity online. By doing so, your resume may be forwarded, transmitted, or ported to third-party clients of Clear Prospect or other third parties for consideration - which may include recruiters or placement consultants.

Aggregate Information

Clear Prospect collects information about use of this site, such as the pages users visit most frequently, the services users access the most, and the links to other sites that users most often visit. Clear Prospect only uses such data in the aggregate. This information helps us determine what is most beneficial for our users, and how we can improve the services and features provided to the users of our site. We may share this collected information with other sites linked to Clear Prospect.com, but only in the aggregate, so that they too may understand how this site is used, in order to improve the services and features provided to you. Such aggregate information will never contain any identifiable personal information.

IP Address

An IP (Internet Protocol) address is assigned to your computer each time you establish a connection on the Internet. Clear Prospect uses your IP address to help diagnose problems with our server and to otherwise administer this site.

Cookies

Clear Prospect may use "cookies" to maintain and track your sessions on this site.

Disclosure of Information

Clear Prospect may disclose personal information to third parties to perform its services or to comply with applicable laws, legal process served on Clear Prospect, or

in legal matters or proceedings where (i) such information is deemed relevant by Clear Prospect, (ii) where Clear Prospect believes that the law requires such disclosure, (iii) where Clear Prospect believes such disclosure is necessary to protect its rights or property or (iv) where Clear Prospect believes such disclosure is necessary to prevent a crime, protect the public and/or Clear Prospect personnel, or protect national security. To the extent that you include your personal information (including e-mail address) on any resume you submit or post to the site, Clear Prospect cannot control the use of such information by third-party clients of Clear Prospect or third-party recruiters or placement consultants that obtain your resume from Clear Prospect.

User Communications

In the event that you transmit e-mail, instant messages or any other message, information, feedback, data, question, comments, suggestions or other items to this site (including the Clear Prospect.com domain), or to any related or affiliated site, such communication shall become the property of Clear Prospect and may be utilized by Clear Prospect in connection with its operations, services and business, and Clear Prospect shall have the unrestricted right to any ideas, concepts, know-how, software, documentation, diagrams, drawings, or techniques contained in your communication in any manner and for any purpose whatsoever including, but not limited to, developing, creating, or marketing our products and services.

Security and Internet Use Considerations

Remember to close your browser window when you have finished your work. This is to ensure that others cannot access your personal information and correspondence if you share a computer with someone else or are using a computer in a public place like a library or Internet cafe. Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, Clear Prospect cannot ensure or warrant the security of any information you transmit to us or from our online products or services, and you do so at your own risk. Once we receive your transmission, we will endeavor to protect it on our systems by using secure servers behind a firewall.

Your Consent

By using this site, you consent to the collection, storage, use and dissemination of personal information as described above. Clear Prospect will post any changes to our privacy policy on this page so that you can readily review the most current policy. As the policy may change from time to time, you should check back periodically.

Contact Clear Prospect

If at any time you have questions or concerns about Clear Prospect's privacy commitment or anything contained in this Privacy Statement, please feel free to call 484-580-9456 to speak to one of our team members regarding our privacy policy.
